Items for the Daily Log - 6 April 1954

Legislative Counsel

1. Mr. [] DAD/OSI, and I met with Mr. William Porter, Assistant Director for Telecommunications for the Office of Defense Mobilization, in order to consider the budget presentation for the FCC appropriation for a frequency monitoring program in which CIA has some interest. The House Appropriations Committee had deleted all funds for this program.

2. [] and I lunched with Mr. Walsh and Mr. McTigue of the House Baltic Committee to discuss their forthcoming hearings in Germany. They had contemplated bringing King Michael to Germany for hearings, but the difficulties surrounding this proposal were pointed out to them. We also pointed out the difficulties they would face in crowding all of their proposals into their limited time schedule and, therefore, recommended that they concentrate on the Munich witnesses. We assured them of continued complete cooperation from []
